3. Academic Queries may use collected information, including technical or diagnostic information, your suggestions or feedback, to maintain, improve and enhance the quality of services.
4. Academic Queries is using some third-party service for purpose of payment processing (First Data). When client decides to make some payment to Academic Queries some of personal information may get transferred to those third parties.
5. Academic Queries do not sell or share client's personal information to third parties for marketing purposes unless the user specifically granted us with the permission to do so. We will ask for a consent before we use or share any of your information provided on website.
6. All private information like user's e-mail address can be accessed only by providing user's password.
7. Children can only use Academic Queries services under the supervision of their parents/legal guardians. Children under the age of 13 cannot register into the service, so we do not collect any personal information from them.
8. By using Academic Queries, the user consents to receiving electronic communications from Academic Queries. These communications will include notices about user's existing state of services and information concerning or related to our service (new areas covered & classes) or other announcements from time to time.
9. The company has taken adequate measures for data privacy of the client & accepts no responsibility in case our systems are hacked by hackers or third parties which is beyond our control.
10. A client is entitled to review his or her personal data, as well as can update them from time to time.

The data collection for statistical purposes (Cookies).

1. The collected data allow to recognize you when you reopen the Site. Academic Queries keeps record of a certain information on a website client and/or user's computer in a 'cookie' file. This file is periodically updated when a client and/or user returns to the website.
2. In some instances, Academic Queries may collect non-personal (aggregate or demographic) data through cookies, web logs, web beacons and other similar applications. This information is used to better understand and improve the usability, performance, and effectiveness of the website.
3. To disable 'cookies' please turn this option off in your web browser.
4. The data are also analysed by the company using the public system tools such as Google Analytics, Gemius SA, Crazy Egg.

SPAM

Service users do not receive spam, it means unwanted content, from the company

Local Laws – Privacy Policy

Recognizing the global nature of the internet, you agree to comply with all local rules including, without limitation, rules about the internet, data or privacy. Specifically, you agree to comply with all applicable laws regarding the transmission of technical data exported from the United States or the country in which you reside. In addition, if you reside in a country which is prohibited by law, regulation, treaty or administrative act from entering into trade relations with the India or its citizens, you may not use this website.

Safety Tips

1. We never ask for any personal information, we especially never ask for a password to your bank account or to provide us with any passwords used to commit the transaction.
2. In the address bar of your web browser always check if the address of our website starts with "https://" instead of "http://" (s indicates that the connection is encrypted or secure).
3. If you have doubts about the authenticity of the received email - contact us to check if the message came from us.

Account Deletion

If a user wants to delete his/her account, he or she can do it after login into the system and by clicking on settings tab or email us helponassignment7@gmail.com.

Privacy Policy Changes

This is the latest version of privacy policy. All changes in the privacy policy are made by replacing this document, and announced on the service..
